I'm 1000000% honest with you. I have always been loyal and will always be loyal. You have nothing to worry about.

Go be with your friends. Dont worry about this atm. Its not a big deal as long as your honest. Because yea. I just couldn't hold it in I had to say something

Normally I wouldnt even bat an eye at the message. But honestly, you havent really come on to me, at all, in quite awhile. And its concerning. The screenshots showed shit like " i cant wait to drain you" or something like that....you never talk dirty or get freaky with me anymore. So it made me insecure
