

VERIFIED DECLARATION OF ANDREW J. PIGORS – CUSTODY MODIFICATION

STATE OF MICHIGAN
IN THE 14TH JUDICIAL CIRCUIT COURT
FOR THE COUNTY OF MUSKEGON

Case No.: 2024-001507-DC

ANDREW J. PIGORS, Plaintiff
v.
EMILY WATSON, Defendant

I, Andrew J. Pigors, declare under penalty of perjury that the following is true and correct to the best of my knowledge and belief:

1. I am the biological father of LDW, born November 9, 2022. I am the Plaintiff in this custody action.
2. I have maintained a stable, loving, and developmentally enriching environment for LDW at my home in Muskegon, Michigan.
3. From November 2023 to March 26, 2024, I exercised equal parenting time on an informal week-on/week-off schedule agreed upon by both parties.
4. Without court approval, Defendant Emily Watson withheld LDW from me between March 26–May 6, 2024 and April 6–May 2, 2025, violating the stability of our established custodial environment.
5. Defendant has weaponized a Personal Protection Order (PPO) to interfere with parenting time by initiating false violations during scheduled child exchanges.
6. I have always communicated through the court-authorized AppClose platform, never deviating from the PPO restrictions or the Court's directives.
7. My parenting time is child-focused, nurturing, and consistent. I provide learning activities, healthy meals, educational outings, and emotional support.
8. Defendant has refused to provide LDW's medical information, including vaccination records, pediatric updates, and appointment schedules, in violation of MCL 722.27.
9. I am requesting joint legal and joint physical custody, a reinstatement of the prior 50/50 parenting schedule, and a recalculation of support based on the updated arrangement.

10. I further request that all parenting, custody, and support issues be consolidated for hearing at the De Novo session, scheduled for April 29, 2025.

I declare under the laws of the State of Michigan that the foregoing is true and correct.

Executed on: April 21, 2025
