

Affidavit in Support of Motion for Custody Modification.

IN THE CIRCUIT COURT FOR THE 14th JUDICIAL CIRCUIT FAMILY DIVISION.

MUSKEGON COUNTY, MICHIGAN.

Case No. 2024-001507-DC.

Honorable Judge Jenny McNeill.

Andrew J. Pigors, Plaintiff,

v.

Emily A. Watson, Defendant.

Affidavit of Andrew J. Pigors.

I, Andrew J. Pigors, being of sound mind and legal age, swear and affirm that the following statements are true to the best of my knowledge, information, and belief:

1. I am the father of Lincoln David Watson (LDW), born November 9, 2022. I have been an active and dedicated father since his birth, providing daily care, love, and support.
2. I am filing this affidavit in support of my Motion for Custody Modification. The current custody arrangement is not in LDWs best interest due to changes in circumstances and the environment provided by the Defendant, Emily A. Watson, and her family.
3. Since the current custody order was put in place, I have made every effort to maintain a meaningful relationship with LDW, but the Defendant has consistently limited my parenting time and communication.

Cody Watsons Dangerous Behavior.

4. The Defendants brother, Cody Watson, resides in the same household as LDW and exhibits highly erratic, dangerous behavior. Cody regularly uses drugs, including marijuana, in the presence of the children. His history of drug use also includes inhaling nitrous oxide ('whip-its'), which caused him to crash his vehicle.
5. Cody has also threatened me personally on several occasions. During a roofing job with the Defendants father, Albert Watson, Cody threatened to kick me off a ladder. I possess video and audio recordings documenting this threat, as well as threatening text messages from Cody.

6. In addition to the threats, Cody is known to keep firearms in the house, which further endangers LDW and the other children living there. His temper and frequent outbursts of anger make this a highly volatile situation.

Emily Watsons Role in Creating an Unstable Environment.

7. Emily Watson has allowed Cody to remain in the household despite his dangerous behavior. She has not taken any meaningful steps to remove him or limit his influence on LDW. In fact, she has facilitated Codys continued presence, despite knowing the risk he poses to the children.

8. Emily has also allowed Cody to bring strangers into the house, even on first dates, while LDW is present. This reckless behavior creates an unstable and potentially harmful environment for LDW.

My Fitness as a Custodial Parent.

9. I am in excellent mental and physical health and have no history of drug use or violence. I have consistently provided for LDWs emotional, physical, and developmental needs.

10. I am gainfully employed, financially stable, and maintain a safe, structured, and nurturing home environment for LDW.

Conclusion.

11. For the reasons stated above, I respectfully request that the Court modify the existing custody order to grant joint physical and legal custody of LDW, with a 50/50 parenting time schedule. I also request the Court terminate the current PPO that has hindered necessary co-parenting communication.

I swear and affirm that the above statements are true to the best of my knowledge.

Andrew J. Pigors.
