I need a copy of the updated ledger, with the payments applied and the last 6 months of payment history, with the corrected ledger amount. This is required for me to make an accurate payment.

I would prefer them emailed, so I can print copies. I won't be home, or will be busy since it's Saturday.

Dear [Shady Oaks Property Management],

I hope this message finds you well. I am writing to formally request the following information regarding the water and sewage charges assessed to my account. These requests are urgent as they pertain to an ongoing custody trial scheduled for Monday, and the material is required to resolve critical issues related to the trial.

1. A detailed billing history for my trailer at 1977 Whitehall Road, Lot 17, Muskegon, MI 49445, covering the past 12 months. This should include itemized charges for water, sewage, and taxes.
2. Documentation outlining the methodology used to calculate these charges, including any applicable rates and formulas.
3. A formal inspection of my water meter to ensure its accuracy and proper calibration, as I suspect potential discrepancies that may be contributing to unusually high charges.

Please treat these requests with urgency and provide the requested information as soon as possible. The upcoming trial requires this material to address significant concerns, and timely compliance is critical.

If there are any procedures or further steps I need to follow to facilitate these requests, kindly inform me. I appreciate your prompt attention to this matter and look forward to your cooperation.

Thank you.

Sincerely,

Andrew J. Pigors

1977 Whitehall Road, Lot 17
