Re: Case #2025-002760-CZ

Dear Mr. Pigors,

Judge Hoopes asked me to inform you that he cannot consider the Proposed Order Granting Judicial Notice Of EGLE And LARA Documents until you have filed a Motion In Limine and obtained a hearing date from his judicial secretary.

In regards to the Proposed Order Granting Preliminary Injunction, you must obtain a hearing date for that, as well.

The Proposed Order Following Verified Complaint has been denied and is attached. He also denied the Ex Parte Order For Temporary Restraining Order. There is a separate mailing going out from Judge Hoopes' office concerning that Order.

Kind regards,

Christina Jarvis
