

- Irreversible displacement and reputational damage.
13. I affirm that no adequate remedy at law exists. This request is made in good faith to protect the jurisdiction of this Court and to preserve the status quo until the August 12 hearing.
14. Defendant suffers **no hardship** by awaiting judicial review, while I face total loss of home and family stability.

ADDENDUM TO SUPPLEMENTAL AFFIDAVIT

15. Pending Judicial Review Bars Enforcement

The 14th Circuit Court currently holds jurisdiction over this matter. Executing a contested Writ prior to the adjudication of my Motion for Preliminary Injunction (scheduled for August 12) defeats the equitable purpose of injunctive relief and risks irreparable procedural harm.

16. Post-Settlement Ledger Fraud

Despite a court-confirmed zero balance through December 2024, Defendant fabricated new arrears by starting a ledger in January 2025. No prior history is included. This act constitutes **fraud upon the court** under **MCL 600.2925b**.

17. Evidence Erasure = Denied Due Process

My ability to prove payment and challenge false arrears has been obstructed by Defendant's deletion of my online tenant records. Without judicial action, I cannot recover or introduce evidence critical to my defense.

18. Custodial Harm

I maintain an established custodial environment. My child resides with me regularly. Eviction would strip my child of their home and me of my parenting time, resulting in **immediate and irreversible trauma**.

19. Public Pattern of Harm

Flyers from **MHAction** and news reports show a consistent pattern by Homes of America and Alden Global in other Michigan parks: ledger manipulation, retaliation, and eviction before hearings. My case fits this statewide pattern.

20. No Prejudice to Defendant

Defendant is a hedge fund-backed LLC with no housing needs, no urgency, and
