(Item 2 continued.)

- b. Applying the Michigan Child Support Formula is unjust or inappropriate because: (Specify the deviation factors relied on.)
The costs required to administer this child support obligation outweigh the benefits of processing such an Order.
Factor #19

- c. The child support order deviates from the Michigan Child Support Formula as follows:
(Specify which provisions of the child support formula create an unjust or inappropriate result and explain how this order deviates from the provisions.)
At the Trial conducted on July 17, 2024, the Court Ordered that a deviation, effective May 3, 2024, shall be entered based upon the Michigan Child Support Formula Deviations, specifically 1.04(E)(19), as "the amount calculated does not exceed \$20, and the administrative cost to enforce and process payments outweighs the benefit of the minimal amounts."

- d. The value of property or other support awarded instead of the payment of child support: (If not applicable, put none.)
