

15. Defendant objects to the Order of joint physical custody and equal parenting time of the minor child.

16. Defendant argues that to the best of her knowledge, Plaintiff has been homeless and couch surfing, but it is believed that he now has a residence that is not livable, especially for a toddler.

17. Plaintiff does not have a stable environment in which to exercise physical custody and parenting time.

18. Defendant believes that Plaintiff has alienated himself from his friends and his extended family lives outside the State of Michigan, leaving the parties without a mutual acquaintance that could act as a supervisor for parenting time.

19. Shortly after the parties separated in December 2023, Defendant found what appeared to be cocaine in a cut-off straw in the home.

20. Defendant alleges that Plaintiff has a past history of drug use/abuse

21. Given Plaintiff's recent erratic behavior and the cut-off straw she found in her home, Defendant believes that Plaintiff has resumed his drug use/abuse.

22. Defendant believes that the 1½ year old child is at a significant risk of harm if Plaintiff exercises unsupervised parenting time.

23. Defendant believes that until Plaintiff submits to a series of random drug screens, demonstrating that he has not been utilizing illegal and non-prescribed drugs, along with Plaintiff having to provide proof that he has adequate living accommodations, Plaintiff's parenting time should be supervised at an agency.
