Hon. Kenneth S. Hoopes

ANDREW J. PIGORS,
Plaintiff,

v.

**SHADY OAKS PARK MHP LLC (Dissolved),
HOMES OF AMERICA LLC,
CRICKLEWOOD MHP LLC,
PARTRIDGE SECURITIES LLC,
CT CORPORATION SYSTEM (as Registered Agent),**
Jointly and Severally,

MOTION TO STRIKE ALL POST-DISSOLUTION FILINGS

NOW COMES Plaintiff ANDREW J. PIGORS, in propria persona, and respectfully moves this Court, pursuant to **MCR 2.119**, **MCR 2.114(C)**, and the inherent equitable authority of this Court, for entry of an Order striking all pleadings, filings, and judicial documents submitted on behalf of **Shady Oaks Park MHP LLC** after its administrative dissolution on **February 15, 2023**.

I. BASIS FOR RELIEF

1. Per **MCL 450.1832(1)(b)**, a dissolved limited liability company may not carry on any business other than that necessary to wind up its affairs.
2. **Shady Oaks Park MHP LLC** was administratively dissolved and therefore had no lawful capacity to commence or continue any legal actions.
3. Defendants continued to use the name "Shady Oaks Park MHP LLC" to initiate legal action in the 60th District Court (Case No. 2025-25061626LT-LT), including eviction and collection attempts.
4. These actions were taken in **direct violation of Michigan law**, constituting a fraud on the court and misleading judicial process under **MCR 2.114(C)**.
5. Continuing to allow such filings prejudices Plaintiff and threatens the integrity of this Court's proceedings.

II. RELIEF REQUESTED

Plaintiff respectfully requests that this Court:

1. **Strike from the record** all pleadings, complaints, motions, notices, and filings made by or on behalf of **Shady Oaks Park MHP LLC** following its dissolution on **February 15, 2023**.
2. Declare that all such post-dissolution filings are **void ab initio** and without legal effect.
3. Enjoin any future filings under the name "Shady Oaks Park MHP LLC" unless and until the entity is properly reinstated under Michigan law.
4. Award any other relief this Court deems just and equitable.
